Today’s Geriatric Medicine offers advertisers a unique opportunity to connect with an expanding readership of geriatrics clinicians and care team members, including geriatricians, primary care physicians, nurse practitioners, physician assistants, pharmacists, dietitians, social workers, and occupational/physical therapists. These elder care professionals are ideally positioned to recommend medications, technological innovations, assistive devices, durable medical equipment, and nutrition-related products that are essential to the safety and healthful daily routines of their patients.

Advertisers and recruiters seeking to educate and inform influential professionals recognize a reliable partner in Today’s Geriatric Medicine. Our media network offers various avenues proven effective in delivering key messages, information, and career opportunities to the nation’s community of health professionals who treat older adults.

Anchored by our flagship bimonthly print publication, the Today’s Geriatric Medicine media network showcases your product, program, service, or professional opportunity via our mobile-ready digital edition, which is posted on our highly targeted website, www.TodaysGeriatricMedicine.com. Our monthly e-Newsletter delivers timely news, research, and information, as well as banner ads, directly to the inboxes of professionals who subscribe. We continue to build engaged and growing social media audiences on Facebook and Twitter, where we deliver content and drive traffic via direct links back to our digital edition and website.

Today’s Geriatric Medicine has proven to be a powerful tool for recruiters, offering multiple channels to reach qualified and credentialed professionals, including print display ads, web banners, and online postings on our popular job boards, AlliedHealthCareers.com and the Physician Recruitment Center.

Digital Magazine Specifications

**PREFERRED FILE FORMAT:** PDF and PDF/X1a only

**COLORS:** RGB

**VIDEO AND AUDIO SPECIFICATIONS:** Your video or audio file should not exceed 25 MB. The media link system is made to show small formats such as commercials and spots. The media link system can handle most common media file types. We recommend that you create the video as a FLV file. If that is not possible, the media system also supports common formats such as AVI, MPG, WMV, and MOV.

**SYSTEM REQUIREMENTS:** Zmags is cross-browser compatible and works on both Mac OS and Windows. The Zmags platform requires Flash for reading, and the minimum Flash version required is 9.0.115. If the reader does not have Flash installed or runs an older version, the reader is redirected to a page where Flash Player can be installed or the Zmags can be viewed in HTML. The Zmags digital magazine platform scales to fit the screen resolution of the reader. It is optimized for 1280 × 1024 and 1024 × 768. Readers with higher screen resolutions will still see the Zmags, although it may not utilize the entire screen. For readers with lower screen resolutions, the content will scale to fit the actual screen size.

Great Valley Publishing Company will not be responsible for reproduction quality of supplied artwork that does not meet these requirements.
Recruiting With Today's Geriatric Medicine
